MOTION FOR EXTENSION ON CONSENT

The Plaintiff hereby moves the Court to extend the date within which the parties are required to submit a status report to and including March 1, 2021.

This date was reached in consultation with Attorney Neal Torczyner who consents to this motion.

By way of general update, of the parties are, and have been, engaged in an effort to reach global resolution of the issues between them. Unfortunately, people in plaintiff's offices, including one of the principals, tested COVID positive requiring quarantine. As a result of which, the offices suffered a degree of disarray, to put it mildly. We expect to reengage shortly, as the offices come back on line.

In compliance with the Court's chambers practices, the parties were required to submit a status report February 12, 2021. This is the first requested extension of that deadline. All parties consent. Further, given the Court order (Doc # 24), all other dates appear static.

Accordingly, for all the foregoing reasons, the undersigned respectfully submits the motion should be granted and that the parties should file a status report March 1, 2021.

RAJAN NABE
